Minutes

EAA Chapter 319 Minutes November 9th 2006

Bud opened the meeting with introductions of the 23 people in attendance.

Arnie Rosenthal was our guest speaker who entertained us with stories from his aviation career. We started the business meeting after the break with a Glen Finley reporting that we had \$15,523 in the bank. Carol Dunn reported on the Christmas party. Doug Dunn reported that the hanger revision issue had been resolved. The chapter had a long discussion about the future of its hanger project. It was decided that at this time the chapter did not have the energy to take on such a large project. A motion was passed with a voice vote to that effect. Election of officers followed. After some discussion and arm-twisting Bud agreed to remain in the Presidential position but only after the past officers and committee people agreed to stay on and support him. Alain Laudani stepped forward to fill in the Vice President position that had been vacant all of last year.

Respectfully submitted, Owen Jurling Chapter Secretary
